Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Friday 19 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and becoming quite wet with strong winds on Saturday.

This Evening and Tonight:
A few showers at first this evening then becoming dry with cloud breaking to give some clear spells. Winds also easing. Cloud increasing again later tonight and possibly some light rain returning for the east. Minimum temperature 6 deg C (43 deg F).

Saturday:
A cloudy day and after a mainly dry start patchy rain will spread across the areas. The rain becoming heavier and more widespread by the afternoon. Strengthening southerly winds. Mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Sunny spells on Sunday and Monday. It will be windy at times. Then cloudy with rain, some heavy, on Tuesday and the chance of gales.
